

October's Blessings

September blew by with the craziest of weather! Our Terry Fox run had one of the nicest days of the month to support such a deserving cause! Thank you to our hot lunch volunteers who barbequed burgers for hours to support our Terry Fox fundraiser! We raised approximately \$1100!

We held our back-to-school mass in September. We had over 700 people celebrating with Father Moses! What a wonderful way to meet our new parish priest and to celebrate the beginning of a new school year.

Our Student Council held their Lock-In on the 22nd and both junior and senior high student participated in organized activities. They will be planning Hallowe'en dances for our elementary classes and junior/senior high students as well. Watch the calendar for dates.

Thanksgiving dinner was held this week. Our school volunteers stepped up again to provide turkey dinner and all the fixings for 750 people! We have so very much to be grateful for. Our school celebration preceded dinner and it all came together to make this meal and day special for us.

Classes are well under way. Cross country will soon be wrapping up, but volley ball is still in full swing. Graduation discussions have begun and planning for their November retreat has begun!

For all you do to support our school community, know that it is greatly appreciated!

Happy Thanksgiving and God bless!

Michelle Folk
