

February brings about our new semester, and we wish all of our high school students a successful new term! To our grade 12s, we wish you all the very best in your final semester of high school...it will be the fastest semester yet!

Shrove Tuesday, and our pancake lunch are on February 13th this year, and we would like to thank in advance, all the wonderful volunteers who help prepare this fun meal.

With Ash Wednesday and Lent beginning on February 14th, many classroom teachers will be having Valentine's Day festivities on Tuesday, the 13th, this year. We ask parents to please refrain from sending special treats on Valentine's Day, as it is Ash Wednesday, one of our holiest days of the liturgical calendar, and it begins the time of fasting.

We will be kicking off our Mom's Pantry fundraiser on the 5th of February and completing it February 12th. Proceeds from this will go to our outdoor physical education facilities and grounds projects. Please look for this as it is a small window for ordering time.

With the increase in the cost of our elementary milk, our sales have declined significantly! While it is not our intention to make money, we have found a means to help offset the cost. Starting immediately, milk can only be purchased with milk tickets, and a sheet of 10 tickets for \$8.50 can be purchased at the office. We apologize for the inconvenience. We want to encourage healthy opportunities for our students, not make it inaccessible.

We all look forward to our new semester with all the activities and excitement it will bring!

God bless.

Michelle Folk
